The diagram illustrates a dependency or call relationship. Two white rectangular boxes on the left represent methods: 'SistemaBackup::executarBackup' (top) and 'SistemaBackup::executarRestauracao' (bottom). Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'SistemaBackup::arquivoExiste' followed by 'Pendrive' on a new line, representing a shared resource or a common dependency for both methods.
